Case 10-CA-179060

**EXTENSION OF TIME TO FILE EXCEPTIONS AND  
BRIEF IN SUPPORT OF EXCEPTIONS**

The joint motion for an extension of time in the above-referenced case is granted.<sup>1</sup> The due date for the receipt in Washington, D.C. of Exceptions to the Administrative Law Judge's Decision and Brief in Support of Exceptions is extended to **October 3, 2018**. We grant counsels' joint request based on the representation that additional time is needed by the parties to continue settlement discussions. This extension of time to file exceptions and brief in support of exceptions applies to all parties.

<sup>1</sup> Please note that NLRB Rules and Regulations Section 102.2(c) states that "[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." The due date for exceptions was September 5, 2018, and the request for an extension of time was filed on September 4, 2018, only one business day prior to the document's due date. Despite being filed within three days of the due date, there is no explanation in the request as to why the need for the extension was "not reasonably foreseeable in advance." However, given that this is a joint request for the purpose of continuing settlement discussions, we will allow the extension.
